Part 4

Writing

In May our country will celebrate the 77th anniversary of the Great Patriotic War. My class is going to take photo. People celebrate Victory Day on the square.

In the morning, a lot of people gather at a certain place and go to the square. All proudly carry portraits of their relatives who fought in the war. No one forgets them. When we come to the square, most people go to lay flowers or a wreath on the monument. After that, we can listen to the speech of respected people and watch the concert. Some people like to go out into nature on this day.

My family does not celebrate Victory day every year, but it does. We often go out like many people to nature. We play games, fry kebabs and have a good time.
